**Terms and Conditions**

- 1) **Purpose** - Whereas Sponsor desires to support the Land Grant mission of the University by supporting field trials in the area of research identified above, and whereas University has an ongoing field trial program in this area consistent with the research interests of the Sponsor, this field trial grant is established to give financial support to the University to cover the costs associated with the research.
- 2) **Publications** - Sponsor recognizes that investigators and students engaged in this Field Trial Grant are free to publish results arising therefrom and share such publication through its system of county extension offices with growers, processors, and manufacturers of Pennsylvania. The Sponsor's support may be acknowledged in publications, unless the Sponsor desires otherwise and so advises the University in writing.
- 3) **Intellectual Property** - The University shall own all data, inventions, patents, and copyrights resulting from research conducted hereunder.
- 4) **Publicity** - Neither party will use the name of the other party in any publicity, advertising, or news release (except in publications as noted in 2, above) without the prior written approval of the authorized representative of the other party.
- 5) **Use of Results** - Sponsor shall be solely responsible for any liability arising out of sponsor's use of or reliance upon data generated by research performed pursuant to this Field Trial Grant.
- 6) **Entire Agreement** - This Field Trial Grant contains the entire and only agreement between the parties respecting the subject matter hereof. Should processing of this Field Trial Grant require issuance of a purchase order or other contractual document, all terms and conditions of said document are hereby deleted in entirety and superseded by this Field Trial Grant. This Field Trial Grant may not be amended in any manner except by an instrument in writing signed by the duly authorized representatives of each of the parties hereto.
